Immunization Information for Highland High School Student

To Parent/Guardians for HHS Students

The Indiana State Board of Health recently notified schools of proposed changes for ADDITIONAL immunization requirements for students in Indiana schools. The proposed changes are as follows:

2017-2018 RECOMMENDED

(2) Hep A (6 months apart)

(1) Men B (Meningococcal B) @ age 16 Note: this is in addition to the MCV4

2018-2019 School Year - Grade 12 REQUIRED

(2) Hep A (6 months apart)

(1) Men B (Meningococcal B)

MCV4 Booster is also required

If you have your child immunized at the Lake County Health Department, bring a copy of your child's current immunization along. Parents on Medicaid are asked to bring your current Medicaid card. Parents without insurance will be asked to sign a form stating that they have no insurance. An appointment is not needed at the Health Department.
