SOCIAL EVENTS:	DATE	EVENT	PLACE	TIME
		JV/V Boys BB vs Clark	Highland	5:30/7:00 pm

Do you drive your parents' nuts with all your singing? Would you like to sing for the mouse? Do you like to express yourself? Would you like to fulfill the fine arts requirement for graduation and you don't think you can draw or sculpt? Consider choir as part of your day for next school year. Any HS student can participate in choir. You do NOT need to audition – simply register for Beginning Choir when you sign up for your classes. If you would like to audition for the Advanced Girls Choir – an all-female singing ensemble – or the Varsity Choir – an ensemble comprised of men and women, come and audition for Mr. Markley after school on Friday. You do NOT need to prepare anything to audition, you simply need to show up. Mr. Markley will have you sing something familiar. The whole process takes less than two minutes. Remember you don't have to audition, you can sign up to be a member of the Beginning Choir or you can try your VOICE in Advanced Girls or Varsity Choir Friday after school in the Choir Room (514).

Nikola Tesla, Henry Ford, Neil Armstrong, Elon Musk, what do these people have in common you ask? They are engineers who have shaped and molded the world we live in today. Are you interested in adding your name to the list? Take the first step, consider taking a Project Lead the way Engineering class. For scheduling assistance see your Guidance Counselor.

Attn Track and Field Athletes: Track officially begins on Monday 2/11, please make sure that you have a complete Physical Form on file with the athletic office.

Students going to the Amanda Forum youth leadership field trip with Mrs. Richardson and Ms. Malagon should meet tomorrow at 7:45am at the main desk in the commons.

Are you interested in learning about the background of your favorite music? Putting your thoughts into words about why a song is "the best" or "the worst"? Consider signing up for Music History and Appreciation in next year's schedule. We will explore music from the very beginning of songwriting and into modern day; from chants to Rock 'n Roll. No previous music experience is necessary for Music History and this course counts as a Fine Arts elective.

Looking for a new elective for next year? Consider being a part of the student tech team class as you are scheduling your classes next year! You will work with iPads and MacBooks, code with spheros and drones, and learn customer service. See Mrs. Mezera-Juarez for more details or ask your guidance counselor about it!
