Dear Mr. Boskovich,

Upon completion of the Indiana Department of Education's Emergency Preparedness Plan review and site visit Highland High School was found to be in-compliance with all emergency preparedness/school safety requirements set forth under Indiana Code and Indiana Administrative Code.

We appreciate the professionalism of your staff, and were very impressed with the commitment to safety exhibited by all of the schools participating in your county commission. Lake County Schools shows a level of collaboration amongst the schools and local first responders that is a model for other corporations to follow.

Please feel free to contact me at 317-232-6975, or via email at dwoodwar@doe.in.gov , if you have any questions or if I can be of further assistance in your efforts to provide a safe school environment for your students.

Sincerely,

David Woodward
