March 19, 2020

School Town of Highland Community:

Earlier today Governor Holcomb announced all schools in Indiana will be closed through May 1, 2020. If students are able to return for the month of May, our teachers and administrators will be concentrating on instruction, not state testing. However, this date may be revised to extend through the end of the 2019-2020 school year should circumstances warrant. An announcement was also made by the Department of Education where all assessments will also be cancelled this school year.

Our original E-Learning schedule will not change, but rather be extended for two additional weeks. E-Learning begins the week of March 30th. Each school principal will be coming out with specific information over the next few days. This is an extremely fluid situation, and I will continue to update information if changes are made.

I want to thank all the Highland community, parents, teachers, administrators, and other school employees as we navigate through these extraordinary times.

Sincerely,
Brian J. Smith
School Town of Highland Sup
