

HIGHLAND HIGH SCHOOL CLUBS AND ORGANIZATIONS

We encourage students to participate in extracurricular activities. Clubs have been organized for various purposes. The purpose of a club may be to provide service to others, to expand academic learning, to provide a social setting for students with common interests, and/or to provide an opportunity for students to learn something that is not offered during the regular school day.

Highland High School clubs are described in this brochure with information involving their purpose, the kinds of activities the club provides, who the sponsor is, who may be a member, and how often the club meets.

HOW DO YOU JOIN A CLUB?

All students are encouraged to get involved in school activities. Meeting dates and times of meetings are published in the Daily Announcements. Some clubs put up posters throughout the building to announce their meetings. Some clubs have closed membership. In other words, for these clubs a student must be selected to be a member. Student Council and National Honor Society are examples.
